Offline PC Download

Download Asan Typing Offline for Windows PC

Get an offline typing tutor, offline typing test, and typing games that work without internet. Ideal for focused practice and faster skill gains.

Windows desktop app

One download includes the typing tutor, typing test, and games—built for offline use on your PC.

1,304

Total downloads

Windows 8.1, 10 & 11+
64-bit desktop • No browser required

Download offline app for Windows

ZIP file password

The installer download is a password-protected ZIP. When you extract it in Windows, enter this password exactly (copy and paste to avoid typos):

asantyping.com

What you get offline

Typing tutor — structured lessons with on-screen guidance

Typing test — timed tests with WPM and accuracy

Typing games — engaging drills when you want a break from lessons

Setup in three steps

Follow this quick flow to start practicing offline on your PC.

1

Download

Click download, then wait on the next screen while the file prepares.

2

Extract & install

Extract the ZIP using the password above, then run the installer and complete the prompts.

3

Start typing

Launch Asan Typing and practice with no internet connection.
